"HEALTH/FINANCES THRU DIVINE PROVIDENCE"

The First-Century Gospel Church/Philadelphia AUGUST 30,2023

<u>How</u> to <u>receive</u> God's blessing of perfect health and to enjoy Scriptural financial prosperity, are valuable '<u>principles</u> of the full Truth of God' for every true Christian to acquire. There are <u>valuable results</u> that come through a trusting faith on God alone for good health and protection from illness. The very <u>first valuable</u> <u>result</u> is to receive great spiritual light and blessing, along with a better <u>knowledge</u> of the <u>true character</u> of <u>God</u> and <u>His divine healing</u> <u>power</u>. We will get those same results when we accept any one of God's plans for us to follow, that is, <u>His plan for having <u>His presence</u> in our home-life, <u>His guidance</u> in our work, <u>His blessings financially</u> (and in all other things that concern us).</u>

Another great result of a trusting faith on God would be the perfect health and strength we receive for our body, which in itself would seem to be valuable enough even if we did not receive a <u>spiritual blessing</u> with it. As one who trusts God in real faith will soon learn, however, a spiritual blessing is always part of God's answer to our prayer of faith. And, we want to always remind ourselves that through the great work of Jesus Christ on the Cross, we have been <u>given</u> a Blood-bought right to be in <u>perfect health</u> at <u>all</u> times (and it doesn't matter what season of the year it is).

This is something that is very hard for many people to comprehend, especially so in the early part of their Christian life (the late Pastor said), because the <u>teaching</u> given in most all other churches <u>is</u> directly <u>opposite</u> to that. And, Satan is constantly busy trying to convince people that they <u>do not have</u> any <u>Blood-bought</u> <u>rights</u> in <u>Christ Jesus</u>. Satan has such a supreme control over the bodies of most people in the world, that he does not want to ever give up that control.

Furthermore, many <u>religious teachers</u> are saying that God <u>afflicts</u> people (which <u>is not according to Scripture</u>), and there-fore, they say that it would be foolish for one to go to God for deliverance. If a person were to be consistent with <u>that</u> point of view, then <u>if</u> God really <u>had</u> smitten a person (for some good reason), it seems that it would be foolish rebellion to go to a doctor and pay him money to get rid of the affliction.

In other words, <u>if</u> it really <u>were God's</u> <u>will</u> that we should be sick, we should <u>never try</u> to <u>rebel</u> <u>against it</u> by trying to get healed. <u>However</u>, the average worldly church member will go to doctors (who are Satan's agents), and do everything they can to get rid of the same thing that they <u>say</u> is God's will.

However, (James 1;13 says), "Let <u>no</u> <u>one</u> say when he is tempted, "I am tempted by God"; for God <u>cannot</u> <u>be</u> <u>tempted</u> <u>by</u> <u>evil</u>, <u>nor</u> <u>does</u> <u>He</u> <u>Himself</u> <u>tempt</u> <u>anyone</u>."

On the other hand, if it is the truth that all sickness and disease is from Satan (which Scripture proves \underline{is} absolutely \underline{true}), and

S327R HEALTH/FINANCES (THRU DIVINE PROVIDENCE) 8-30-2023

that it is God's will for us to have <u>perfect health</u> (not only because of His great mercy and love for us, but also because of the work of Jesus Christ on the Cross), then we can readily see that we have both a <u>lawful</u> and <u>divine right</u> to be perfectly healthy and strong. That means we should never let the devil deceive us to accept the least thing wrong with our body, but to always claim our divine right to enjoy God's own health and strength, with every vital sense and organ working 100% efficiently. (James 1:16-17 says) "Do not be deceived, my dearly-loved brethren. Every gift which is good, and every perfect boon, is from above, and comes down from the Father, who is the <u>source</u> of all <u>Light</u>. In Him there is <u>no variation nor</u> the slightest suggestion of change."

That Scripture verse makes it our privilege and our divine right to <u>claim</u> (and enjoy) God's own health and strength, and God, Himself could not keep us out of it (because God does not change, and Scripture cannot be annulled). We can <u>interpret</u> Scripture, but we <u>can</u> <u>not change it</u> (even if we wanted to change it to cover our individual circumstance). If, however, we <u>claim</u> in real faith the <u>divine gifts</u> of a true believer's <u>inheritance in Christ'</u>, (God, Himself cannot keep us out of them). Satan will, however, keep us out of our <u>Atonement right (if we will let him)</u>, but he cannot do so as long as we <u>claim</u> our <u>'divine rights'</u> in Christ by faith.

Satan uses his plans to rob people of their right to have perfect health, (which in itself is a very valuable gift and well worth receiving), even if nothing else was received. The <u>first thing we need</u> to <u>do</u> in order to receive healing from God, is to put aside forever every <u>human remedy</u> (or human plan) for the health and protection of our body (and that of our children). <u>That decision</u> has to be <u>settled</u> <u>right</u> (and <u>final</u>), before we can possibly <u>receive</u> and <u>enjoy</u> the <u>health</u> that God has promised.

While we are depending on the least human plan for healing, it gives Satan an opening to attack us. That <u>compromising attitude</u> opens the door for Satan to get in (although we <u>may not realize</u> it at first). Furthermore, God is unable to help us (with rebellion in our heart). He cannot work with us to help us receive healing, until we have settled the <u>human remedy question</u> finally and <u>forever</u>. Most of us have already settled that, but there are always new people coming to the faith, who have not yet settled it to go through trusting on God alone. If we (for instance) were trusting on a certain beverage (or even a drink of water) to give us <u>good health</u>, that would be human remedy (which <u>must be gotten rid of</u> for us to receive <u>God's help</u>).

The late Pastor referred to a woman who had suffered with an internal physical oppression (and had received healing from God), but Satan brought the attack back upon her again. She said, she thought she was attacked again because she had been riding a bus on very

2.

rough roadways and all that shaking of her body had caused the oppression to come back. That was not true at all, and instead of placing the blame on the devil she just gave him an excuse to hide behind, and to continue to attack her.

<u>However</u>, it did not take long to find out the <u>real cause</u> of her trouble, as she continued to say, "I suffered so much pain that I just had to get some (medicinal) drugs that I still had in my house, and I took them to get some relief."

Satan was <u>permitted</u> to <u>attack her</u> because she had never <u>settled</u> <u>it finally</u> and <u>forever</u> to <u>give up</u> the <u>use</u> of her <u>human remedies</u> and the <u>help of man</u>. "That <u>principle will refer to every part of our</u> life." If Satan has succeeded in getting in to attack us <u>along any</u> <u>line</u>, we can <u>be assured</u> we are still using a human remedy (or 'wrong plan of trust' somewhere in our life), and which had opened the door for Satan to come in and oppress us. It could be that we were either <u>using a human plan</u> or means, or else we intend to use a human plan (hidden in our heart) in an emergency, (in case the situation would get worse). That is like a leaving a plank on the bridge that we had crossed by <u>faith</u> on <u>God</u> (just <u>in case</u> the 'going <u>gets tough'</u> and we <u>decide</u> to <u>retreat from faith on God</u> to <u>deliver us</u>). That <u>human plan</u> or <u>remedy in itself</u>, would <u>hinder</u> God's power from <u>working</u> to <u>heal us</u>.

It is the <u>same principle</u> if we are in a <u>financial difficulty</u>, and we can rest assured that we are <u>looking to</u> some <u>human source</u> for help (or there is a <u>possibility</u> of doing so). In <u>either</u> case we may as well <u>not</u> be <u>looking to God</u> at all for our deliverance.

Many people have wondered (the Pastor said), at the wonderful <u>manifestation</u> of <u>God's power</u> for three Hebrews in the fiery furnace, or, Daniel in the den of lions (and others). There <u>was only one</u> <u>reason</u> for those manifestations of God's power, and that was because <u>all human plans</u> and <u>ways of escape</u> had been <u>put aside forever</u>.

In the case of the children of Israel in the wilderness, <u>they</u> had to trust God for their food and other supplies, because there was <u>no</u> <u>other way out</u>. However, it shows the marvelous love and mercy of God, <u>when human elements</u> (or '<u>plans of trust</u>') were <u>out of the way</u> (even when the Israelites were so <u>rebellious</u> and <u>unyielding</u> to <u>God's</u> <u>directions</u>. God supplied the needs for over two million persons for <u>forty</u> years, and that <u>shows us</u> decisively the importance and necessity of having the human 'plan of trust' fully eliminated from our life.

If we find that we are in a financial difficulty, we can be sure that we are looking to some <u>human</u> <u>source</u> for help (or that there is a <u>possibility</u> of our doing so).

The Pastor was reminded of a <u>remarkable</u> <u>testimony</u> from a member with a <u>large family</u>, who had been <u>out of work</u> for eight months. Even though they had a <u>high rent to pay</u> on their home, they <u>never</u> went <u>in</u> <u>debt</u> for <u>one penny</u>, (and never <u>fell behind</u> in their rent when it was due to be paid). The family had no <u>visible</u> <u>source</u> of income (and they trusted on God alone for those eight months). They had some tight pinches (just enough to <u>test</u> and <u>prove</u> a genuineness of their faith), but their needs were fully supplied.

This brother wondered why he had to be out of employment for so long, but they were at a Sunday morning service and heard the lesson about how we are to humble ourselves and get the last backlash out of our heart (about anything in our life). They then realized that they did have a few 'kicks' in their heart (like we all do until we learn better). Some of their relatives who do not attend our services (but claim to be very high-grade Christians), would send food to them that was not fit to be eaten. This family would resent such treatment, and, think of how mean and hard-hearted those relatives were. However, after hearing the service message, they settled it forever to never make another kick or complaint, even if they never got out of their financial trouble.

Also (during those <u>eight months</u> of <u>unemployment</u>), they had <u>settled</u> it to keep their <u>rent paid up-to-date</u> (<u>day by day</u>), and would <u>not buy a penny's worth of food for that day until the rent for that</u> day <u>was met</u>. God not only honored that <u>stand of trust</u> they took (by sending them food), but He <u>also sent them money</u> to <u>cover the rent</u> each day, and it <u>was kept right up-to-date</u> so they would <u>have</u> the <u>full</u> <u>amount on hand</u> each month (when the rent was due). They had taken a real <u>Scriptural stand</u> of full dependance on God, and a <u>complete</u> <u>elimination</u> of any human sources of help.

That wasn't all, because aside from all the needed blessings being provided over that eight month time of being unemployed, the brother received another job. More importantly, they had learned their lesson of getting the last bit of resentment and backlash out of their hearts (over mean treatments they experience). They were called to learn to meet that situation by following Jesus Christ's example for us (and God both inspired and enabled them to do that). (1 Pet. 2:21-23) "And it is to this you were called; because Christ also suffered on your behalf, leaving you an example so that you should follow in His steps. He never sinned, and no deceitful language was ever heard from His mouth. When He was reviled, He did not answer with reviling; when He suffered He uttered no threats, but left His wrongs in the hands of the righteous Judge." Getting rid of resentment and backlash in their heart was a most important victory from a spiritual aspect, for it would allow God to take them along His Heavenly Pathway of victory in Christ in all other.things

Through it all they had <u>learned</u> a most <u>valuable</u> <u>lesson</u>, and it took eight months for them to learn it, but it was the <u>best</u> <u>eight</u> <u>months</u> they <u>ever</u> <u>spent</u> (when we look at it from God's standpoint, of

4.

having <u>'self'</u> removed from our <u>heart</u>, so that He can prepare us for eternity with Him).

Many a person who was <u>not</u> <u>genuine</u> in the Truth and being in the same predicament, would have turned to the 'arm of flesh' <u>by</u> <u>letting</u> <u>people know their needs</u>, either by a direct word or some kind of a <u>hint</u>. But this family had <u>allowed God</u> to <u>bring them to the place</u> where they would rather die of starvation than to let their needs be known to anyone but God alone.

That, to my mind (the Pastor said), was one of the most valuable experiences a real Christian could have. It was worth more to that family than all the money (or job positions) in the world. Most importantly, it was a big step in their <u>preparation for Heaven</u>, as well as for greater financial prosperity in the future. We can be sure that God will make up to any family for the time of <u>testing</u> and <u>proving the genuineness of their trust</u> on God alone (to deliver them from a trial they face). They will have all the money needed for themselves, and extra money to give away to others, (but <u>not one penny</u> to <u>lay up on earth</u> for that so-called 'rainy day').

The same 'principle of Truth' also works out in <u>healing of one's</u> <u>body</u>. The most <u>vital thing</u> in getting healing from God, is to take a <u>true Scriptural attitude</u> in <u>our relation to Him</u>. What is a Scriptural attitude? It means that we would <u>rather risk our lives on God</u> (and <u>His Truth</u>), and <u>even die rather than take the slightest human remedy</u> of <u>help of man for healing</u>. That is the mark of a <u>true disciple</u>, and <u>that is what Jesus meant</u> in (Luke 14:26), "If anyone comes to Me and does not hate his father and mother, wife and children, brothers and sisters, yes, and his own life also, he cannot be My disciple."

Jesus meant that we should be willing and ready to go against the wishes of our wife, children, mother or father, and even to die rather than displease or disobey God's Word (or to trust in anything or anyone but Him). (That is what allows God to bring enthronement of the Christ-life within our heart, and an actual death to the self-life (which is also of the greatest importance).

A second point to be mentioned, is that we are to act directly opposite to the old human way we would act if we are sick. What does <u>that mean?</u> It means that we are <u>not</u> to take any human precautions, nor to go to bed nor <u>lie down</u> when we feel sick. To <u>lie down to the</u> <u>devil</u> is as <u>much a sin as taking medicine</u> and having a <u>doctor</u>. The <u>moment we lie down because we feel sick</u>, at that moment <u>we have</u> <u>rejected God's plan</u> for our healing, and, we are <u>accepting the world's</u> <u>way of getting well</u> by the <u>'laws of nature'</u>. So long as we have that 'lay down <u>attitude'</u> in <u>our heart</u>, we will be <u>attacked</u> and <u>robbed by</u> <u>Satan</u> until we get <u>rid of</u> that <u>attitude</u>.

Jesus Christ already bore our sicknesses, diseases, and pains on the Cross, and He has given us perfect health paid for by His shed

Blood on our behalf. That is the reason we should never act any different than we would if we felt perfectly well. Such a divine plan is directly opposite to the world's way of acting when a person feels sick. If we were sick and in the world and with a doctor, he would tell us; "you go right to bed, take good care of yourself, eat this, but don't eat that, etc." Then the doctor would give us a lot of poisonous medicine besides all that wrong advice.

Just the opposite is the case in the Truth, however. Instead of telling you to go to bed when you were sick, a true <u>Minister</u> of <u>God's</u> <u>Word</u> would tell you to go take a <u>five mile walk</u>, and walk <u>as fast</u> as <u>God enables you to walk</u>. If you had a <u>stomach</u> problem, you would be told to eat a hearty meal as you would if you felt well. [The '<u>principle of Truth'</u> involved, <u>is vital</u> to one <u>living</u> an <u>overcoming</u> 'life of faith'.

The point to be made <u>is</u>, that when <u>we accept</u> <u>God</u> as our Healer, we <u>are to act opposite</u> to what we <u>would do</u> in <u>the world</u>. Instead of <u>sparing ourselves</u>, we are to work harder in full dependance upon God's power, and, (have more strength at the end than when we began to work). If we feel weak or have trouble with our feet or limbs, we should continue in faith, to walk. If we have a stomach problem, instead of eating <u>light</u> food, we should sit down to a <u>heavy meal</u>, and in faith, eat those things that do <u>not naturally agree with us</u>.

These are things <u>Satan tries</u> to <u>talk</u> us <u>out of doing</u>, because <u>his</u> <u>object</u> is to <u>cheat</u> us <u>out of</u> our <u>Atonement rights</u> in Christ. (Hebr.10:38) "But it is by faith that My righteous servant shall live; and if he shrinks back, My soul takes no pleasure in him."

Divine <u>health</u> and each day's <u>finances</u>, .. (via an <u>enduring</u> and <u>uncompromising trust</u> on <u>God's</u> <u>Word</u> and <u>Promises</u>).

The First Century Gospel Church/Philadelphia S327R (8/30/2023) SOME MAIN POINTS ARE:

1... The main theme throughout the message is the <u>vital</u> <u>necessity</u> of getting rid of human plans and all human remedies out of the way (forsaken forever),.... otherwise God cannot help us.

2... Rich and wonderful blessings, enlightenment, and spiritual results come from trusting on God for good health, and provision of financial needs and wants, (because that <u>is what</u> the <u>Atonement Blood</u> of <u>Christ</u> has paid for).

3... The teaching given in most churches over centuries past, however, makes it hard for people to comprehend what the Atonement Blood of Jesus Christ accomplished for us on the Cross, because the teaching they give is directly opposite and is saying that God has changed,..while Satan tries constantly to convince people that they do not have any 'Blood-bought rights' in Christ.
