

Seeking the Truth

#3254 25 0914A

wds1628

John 14:15 *If you love me, obey my commandments.*

Genesis 1:24 *Let the land produce living creatures according to their kinds*

Romans 1:19 *What may be known about God is plain to them—because God has*

1 AI-generated words, images, and information are everywhere today and are part of every search we do or words we read.

2 More than ever, we have to ask, Is it true? Is it real? Or is it AI? And always doubting if what I'm reading is true, or what I'm seeing is real.

3 Many who know about this new way of ChatGPT or Deep Seek computer generated information, are concerned for the potential of AI to give *wrong* or *misleading* information on just about any subject you would ask it—AI's greatest danger is *Mass Misinformation*.

4 A wicked dictator once said: *If you tell a lie often enough and loud enough people will believe it.*

5 That is the situation today as we seek to know and live and love the Truth that God had written for us, and for the world to *read* and *heed* and eventually *live* with Him forever.

6 With the ever-worsening spiritual condition of the world today, our knowing the Truth God has given in His Word and then living that Truth every day—is more important than it has ever

been. Jesus could return in a split-second—Are we ready to meet Him?

7 Past messages: *Overwhelming Evidence*, *Search for Truth*, and *Accuracy of the Word* compelled us to admit that God's Truth in the Bible is for us to read and to put into practice so we will be able to escape the *Wrath of the Lamb* coming to this world.

8 Now that we know the *Truth* from God, how does it *affect our life*? *What change have we seen since reading it?* and, *Has it really transformed our life?*

9 We are to ask those questions and be honest in *answering* them!

10 There are two possible choices concerning how *life on earth began*—and only *one* is *right*; only *one* is *accurate*; only *one* is *true*; and only *one* ends at Paradise.

11 How life began and evolved to what it is today is often called *Intelligent Design*, because of the amazing facts and features of the solar system.

12 The earth is positioned at *just the right* distance from the sun, so that *just the right* amount of heat supports life. The other planets are *too hot* or *too cold* to sustain life.

13 Any change in the *rate of rotation* of the earth would make life *impossible*. If it were to rotate at 1/10 its present rate, plant life would burn up during the day and freeze at night.

14 Temperature variations are kept within reasonable limits due to the circular orbit around the sun.

15 The moon revolves around the earth from 240,000 miles away—resulting in changing tides; but if it were 1/5 of this distance away, the continents would be completely submerged in water twice a day.

16 The *thickness* of the earth's *crust* and the *depth* of the *oceans* are carefully designed as well.

17 Increasing the *thickness* or *depth* only a few feet would drastically *alter* the absorption of

oxygen and carbon dioxide so plants and animals could not exist. This is intelligent *design*.

18 The *23-degree tilt* of the earth's axis, combined with the earth's *revolution* around the sun, gives us seasons—absolutely *essential* for growing *food*.

19 Earth's *atmosphere*—specifically the *ozone* layer—is a protective *shield* from ultraviolet radiation that would destroy life.

20 Earth's atmosphere causes meteors to burn up—approximately twenty million of them every day! Without this divinely-designed protective shield, all life on the earth would be in imminent danger of these striking missiles. Our earth is excellent by design!

21 Earth's atmosphere is 78% nitrogen and 20% oxygen—a *delicate* and *critical* ratio that is essential to *all life* forms.

22 The earth's *magnetic field* provides protection from dangerous cosmic radiation. All this is a carefully designed plan to sustain life on earth by an All-knowing God.

23 Our being aware of these facts enables us to read the Bible with keen interest—God *made* the earth, and He *designed* the plan that enables us to *overcome* the hostile forces of the adversary who comes at us only destroy us.

24 Satan is a thief who WEY John 10:10 *“Comes only to steal and kill and destroy”*—but Jesus promises *“Life in abundance.”*

25 Overcoming is vital, but that is possible only by faith and trust in the Atonement Blood of Christ. *Overcomers* receive eternal life—and an overcomer is one who *rejects* the world's way and who accepts and follows God's way.

26 Bible prophecy is so amazing—God said the price of His Son's betrayer would be thirty pieces of silver, and when Judas Iscariot asked what he would be paid NKJV Matthew 26:14 *“They counted out to him thirty pieces of silver.”*

27 God said the earth would be *dark* at noon for three hours—and NKJV **Amos 8:9** “*I will make the sun go down at noon, And I will darken the earth in broad daylight.*”

28 AV **Matthew 27:45** “*From the sixth hour there was darkness over all the land unto the ninth hour.*”

29 Hundreds of prophecies have been fulfilled with amazing accuracy and Jesus fulfilled more than 300 in His life.

30 If only 8 of 300 prophecies came true of any one person, it would be comparable to finding *one* silver dollar *painted* red—among *hundreds of thousands* that were *unpainted* and spread over a 500 square mile area.

31 Our *eternal destiny* hinges on the *accuracy* of Bible prophecies about Jesus being *fulfilled* to the smallest detail.

32 It is *impossible* to predict the *future* with 100% accuracy, but *God* can and did—then He wrote them for us.

33 Jesus told Satan man does not live just on bread **Matthew 4:4** “*but by every word that proceeds out of the mouth of God.*”

34 Since *God’s Word* is *true*, and He tells us to *love* His Truth, then it should be our main desire every day to obey what He says. NLT **John 14:15** “*If you love me, obey my commandments*”—and My instructions **Matthew 5, 6, 7.**

35 *Science, history, and prophecy* reveal that everything in the universe points to *intelligent design*. Only God could give all those prophecies—some thousands of years in advance—and fulfill them in the life of one Man.

36 The Bible says “*It is written*” 92 times—God had men *write* something He wants to say to us.

37 When we see a marvelous oil-painting we know a *person using* a brush did the picture. God is the *Author* of the Bible and He used *humans* to write on *parchments* to *preserve* His Truth.

38 God’s Truth is *knowable* by choice; and His Truth is *doable* by asking—because He provides the light and the power to do both by His Holy Spirit within.

39 The world has always made the wrong choice—even though NKJV **Romans 1:19** “*What may be known of God is manifest in them, for God has shown it to them.*”

40 20 *For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse.*”

41 Since God wrote it, we have to *believe* it—and then *live* it, by faith in Him for everything—based on the *merit* of the *Blood* shed for us—sanctifying our heart by faith in that *flawless* sacrifice for the atonement of our sins. What a gift He gave!

42 If God is the Maker of every *thing* and every *one*, then He can also *heal* anyone; *protect* anyone; and *supply* the needs of anyone—every day and any time.

43 NKJV **Psalms 121:2** “*My help comes from the LORD, Who made heaven and earth.*”

44 Many are seeking happiness—and NKJV **Psalms 146:5** “*Happy is he who has the God of Jacob for his help, Whose hope is in the LORD his God, 6 Who made heaven and earth, The sea, and all that is in them; Who keeps truth forever.*”

45 There is *no excuse* to believe the lie of evolution; and *no excuse* to *not believe* the God of the Bible—because:

46 He AV **Acts 17:24** “*made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands.*”

47 Scientific evidence shows that each *kind* of living thing is different, and each *kind* can produce only its own *kind*.

48 The Bible agrees NIV **Genesis 1:24** “*And God said, ‘Let the land produce living creatures according to their kinds: livestock, creatures that move along the ground, and wild animals, each according to its kind.’ And it was so.*”

49 *Macroevolution*—changing from *one type* of animal to a completely *different type*—cannot happen and has never happened!

50 NIV **1 Corinthians 15:39** “*All flesh is not the same: Men have one kind of flesh, animals have another, birds another and fish another.*”

51 If people accept the *wrong* information—or they do the *wrong* thing with the *right* information, they will find themselves in the flames!

52 NLT **Isaiah 45:18** “*The Lord is God, and he created the heavens and earth and put everything in place. He made the world to be lived in, not to be a place of empty chaos. ‘I am the Lord,’ he says, ‘and there is no other.’*”

53 So, in seeking the Truth, we now know that the Bible contains all the *information* anyone needs so they can *choose* where they will spend eternity. *That* is a *huge* responsibility on our shoulders!

54 Everyone will someday leave this earth, but if they have the *right* information, and do the *right* thing *with* that information, they will reach the *right* destination!

55 What we do with God’s *Truth*—determines what destination we *reach*!
